BELLMORE COUNCIL 3689 - KNIGHTS OF COLUMBUS - DISTRICT 18

Volume 66 Issue 2

PRIDE IN OUR PAST - FAITH IN OUR FUTURE

March 2020

Brothers and Sisters,

I just returned from an invitation to visit the St. Jude Children's Research Hospital in Memphis, Tennessee. Thank you to all who donated to our 2019 Bicycle Ride for Charity that for the third year in a row raised over \$15,000 for the St. Jude Hospital which resulted in the invitation. The

Bellmore Knights of Columbus and the Bellmore community in general have been recognized for their charitable contributions to this very worthy cause. As you may know, Danny Thomas promised St. Jude a shrine if he would show Danny the way forward in life. Danny was a struggling comedian with a wife and newborn in the hospital and a \$70 bill. He prayed to St. Jude to give him a sign telling him whether to continue his quest for success in the entertainment industry or move on to another career. The next day he received a call from a radio station to tape a commercial for \$75 in pay. He went on to a very successful career in the entertainment business. He also fulfilled his promise to St. Jude by building the St. Jude Children's Research Hospital and would not charge a family for the treatment of their children for cancer, family travel, housing and food during the process.

During the three day stay of presentations, seminars, and tour of the hospital, we, the representatives of the volunteers and donators to St. Jude's, were constantly thanked for our/your willingness to donate to this charity. Without you the whole thing would not be possible as was constantly stressed by the doctors, patient families, administrators and staff. It was also stressed that St. Jude Children's Research Hospital is a local charity since any hospital is able to use the St. Jude treatment protocol at no charge to the patient. Most of St. Jude patients are outpatient and therefore not treated in the hospital which

is only for the most severe patients. This charity could well be one of our most important contributions to society and our signature charity fundraising. Please help us in 2020 as we will again run this event in September.

I have to say that I met many other volunteers and families of patients that were all so thankful for our work and couldn't wait to share their story, whether successful or not. They were still most appreciative. What a wonderful group of people. Thank you for making this possible.

On a related note, let's speak about volunteering. Our organization is reliant on volunteers just like St. Jude is for 75% of their operating budget. However, our group of volunteers is very low compared to our membership rolls. We need volunteers on a regular and reliable basis. Today's society seems to define volunteerism as a person who may do something if the feeling drives them when the time arrives without commitment. Just think about that - how can an organization run an event based upon that type of commitment. Suppose no one shows up because no one felt like it at the time. How would it be if you were to throw a party but no one showed because at that time they just didn't feel like it. Commitment to time and date are essential to running a successful event. We are not the only ones in this predicament and it is effecting many volunteer dependent organizations (KofC, Fire Dept, Church, Scouts, Charity groups, etc.). Please help us help others. Volunteer! You won't be sorry and you will take some of the burden off your brothers and sisters in our charity based organization.

Thank you those who have already made the commitment.

Grand Knight

REFLECTIONS ON SERVICE

Originally submitted by John Ferrante to the Log in June 2007

When I first joined, I observed a small group of men working hard to establish this Council. One in particular, Joe Kratochvil, worked tirelessly towards this goal. One night, after a meeting, Joe, already burdened down with fund raising activities, wanted to start a "300 Club". I said to Joe: "How much can you do? let me help you out." I started and ran the first 300 Club and, while serving on the Columbus Club, the new building was completed. Since then, I have served on numerous committees, from the Bowling League to the PGK's Testimonial Dinners. The officers and committee chairmen are dedicated to the council's programs and need assistance. There are many activities available for volunteers though we can't be on all of them. My feeling has always been to continue to serve the council and not wait to be asked. Who knows better when is the proper time to volunteer than oneself? Keeping informed is important; when attending meetings listen to the DGK's committee reports and read the Log. You joined to be part of the council; step forward, when is convenient for you, and participate in the council activities. What better way for all members to become part of the camaraderie of the Knights of Columbus than through participation?

VOCATIONS

Contributed by Austin Cannon Jr., PGK

Bellmore Council recently sent Seminarian Stephen Rooney a check as part of the REFUND SUPPORT VOCATIONS PROGRAM (RSVP) We have sponsored Stephen for the past few years on his journey to priesthood. He recently sent the following to the council.

Brother Austin and my fellow Knights,
Greetings in the peace of Jesus Christ.

I hope and pray you are all receiving this message in good spirits.

I just received your note and your extremely generous gift. Thank you so much for your sacrifices.

I was surprised to hear that you pray and mention me at everyone of your meetings. That really means a lot.

I need your prayers. Thank you!

As per your request I would like to share with you a rough draft of my daily routine.

To preface it I graduated the college seminary in 2017. Since then I have finished two years of major seminary (graduate school) I am currently on my pastoral year at St. Patrick's in Huntington until Mid May. In the Fall I will return to St. Joseph's Seminary (Dunwoodie) for my last two years of seminary.

So the following is a day in the life while on my pastoral year:

On Tuesday morning I will do my holy hour. Serve Noon Mass. Then I will go over to the parish school and teach two third grade classes. I am the assistant Basketball Coach for the 8th grade boys basketball team so we often either have a game or practice on Tuesday and Wednesday afternoons.

Then I have a couple hours free until dinner with all the priests (myself and 4 other priests). Then at 7:00 I go over to the school again and give a 10 minute introduction/prayer for the 100 7/8 grade students. Then after the introduction to the topic of the day we will break into individual classes where I will take about 14 students.

Then I might hangout with a two priest friends that night.

Wednesday morning I start with a holy hour. Followed by 9am Mass. Following Mass I lead many parishioners in the Miraculous Medal Novena. Then I will go over to the School and teach 3 kindergarten classes. Each class for about 15 minutes.

I might stay and eat lunch with some students and play basketball with the older students at recess.

I will then have another basketball practice or game.

Similar as Tuesday night I will lead the introduction for the 100 7/8 grade CCD students and then stay and teach a couple classes.

On Thursday I do not go to the school. Rather I go to the local Hospital with the Catholic Chaplain who is a priest who lives in residence with me at St. Patricks. He then gives me a list of many Catholic patients and I visit them. Often these individuals haven't been to Mass in a while so it often is a good opportunity to welcome them back to the Church.

On Friday I simply teach one class at the School. I might go visit a parishioner like do a sick call. Often I will do a burial service on Friday or Saturday morning if there is a funeral that day. I try to catch up with friends on Friday nights.

On Saturdays I do exposition for the parish at 7:30AM followed by 8:30 Mass (I can do exposition but I cannot celebrate Mass yet.)

I will often do another burial service Saturday mornings. Then I often have down time until the vigil Mass in the evening followed by a dinner with all the priests.

On Sundays I serve two Masses and assist with communion at all of the Masses and greet the people after all the Masses. We then have lifeteen (youth group) Sunday night.

The week will also have meetings with staff, parishoners, visits with parishoners, going out with parishoners for a meal, excercise prayer etc.

Monday is my day off.

Austin I hope this helps. Please know of my great gratitude for you and all of you my brothers.

In Jesus and Mary,

Stephen Rooney
